BUTTERFIELD COMMAND – We have a crop of calves by this bull and all the cows are remated to him. We are keeping all his daughters so, therefore, offer him for sale. He is a sure breeder, has a wonderful disposition and a lot of bone, substance and is very modern in his type. His pedigree is loaded with nothing but top, imported cattle and his dam is a granddaughter of Bapton Commando, one of Scotland's greatest sires. His sire, Millhills Excellent, is a grandson of two, great bulls, Lawton President Roosevelt and Collynie Elect. From his wonderful background and from his performance in our herd, anyone can tie into this bull with confidence that he has bought a top herd sire.

LEADER'S LANDMARK — We've carried this bull to a strong age as we are using his sire on our whole herd of 65 cows and felt it wise to have a good bull on the place in case something happened to the old one. If you are looking for a big, rugged bull that is solid red and carries an extremely thick body, fleshed smoothly from end to end, don't fail to consider this son of Schaner Royal Leader 8th on sale day. In our estimation he is herd bull material of the highest caliber.

ROYAL PRINCE — We got this bull from Park McNeill last December when we sold him half-interest in the imported Westdrums Prince Consort. We picked him to be the best calf at that time. In June we sold him to Gib Zeimen who bred his heifers to this bull. He wanted a bull by the 98th so in August we traded him a bull by the 98th, for him. A tried sire — Gib will have calves by him in May.

MARDALE MONARCH 55th — This son of imported Duncrahill Monarch is the best bull we have ever offered for sale in our many years in the business. He is the second prize senior bull calf at the 1955 Nebraska State Fair and was beaten in class by the grand champion shown by J. A. Collier & Sons of Fletcher, Okla. The Collier bull had been reserve grand champion at the National Shorthorn Show at the Iowa State Fair a week earlier. He is a solid red bull from our good Village Maid family and a full sister to the reserve junior champion female at the Nebraska State Fair in 1953. This bull is one of the thickest bodied bulls you will find any place, has tremendous substance, fleshing and depth, and moves on four, good legs with plenty of bone. His dam is a daughter of Don Hill Royal Leader 4th, half-brother to Edwin Royal Leader, sire of the \$10,000 International grand champion bull, Edwin Leader. We believe this bull combines his wonderful pedigree with outstanding individuality and should be the answer to someone's herd bull problem.

W R R WINGMASTER – This calf is one of our best from Edellyn Royal Leader 161st, our herd bull by Edellyn Royal Leader 114th, the bull that has sired so many good cattle for Edellyn Farms. His dam is a daughter of the International champion, Killearn Max Juggler, and is also a full sister to a top selling Congress female. Was weaned when quite young but is really developing and will be a real stock bull.

HORN SALE Wed., Febr. 15, 1956

Dan & W. G. McCubbin, Elkhorn, showed the champion female and the champion bull at the 1955 Nebraska Shorthorn Futurity. Jay Dillion, Jr., holds Aksarben Lady Douglas, the champion female that sold for \$325 to Paul T. Bechtol, Albany, Georgia. Dan McCubbin holds Aksarben Gold Max 14th by CB Gold Max 4th, the champion bull that sold for \$500 to Donald Stevenson, Richland. Judge Homer Clausen, Spencer, Iowa, is in the background.

D M GOLD MAX 3d - He is just a youngster but he is good. He has the combination of great scale and weight for age plus extreme straightness and smoothness. His full sister was supreme champion female at the Nebraska Futurity show last November and went to Georgia. We realize that we are selling him at a young age but we just don't have room on our small acreage to keep many bulls.

HORN SALE

Wed., Febr. 15, 1956

NOBHILL PLATTS 3d. This outstanding, young bull sells as Lot 12 in this sale.

FROM THE SALE MANAGER

There never was a better time to get into the beef cattle business, and there is no breed with a bigger or brighter future than Shorthorns. They will **OUTGAIN** all other beef breeds on grass, roughage or grain. They will **OUTWEIGH** all other beef breeds at any age.

It is significant that the top-selling feeder calves, during this past market season, by the carload of all breeds on the Omaha market, were Shorthorns produced on the M. E. Biddick Ranch at Laramie, Wyoming.

I hope you will take full advantage of the unexcelled opportunity to purchase on the present "buyer's market." With this large number of bulls (150 head in both sales) the selection will be the best of any place in America this spring and there is certain to be many top bulls sell at prices that any progressive cattleman can afford to own.

Mervin F. Aegerter, Sale Manager

41st Annual **OMAHA SHORT**

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
